

QUALITY CERTIFICATE

Based on the results of its own accelerated ageing tests carried out, **SCOTT BADER** guarantees that no blistering and no black spots coming from « Cobalting Effect » will appear on the **CRYSTIC** gelcoat for an estimated period of time of 5 years.

This Certificate refers to the Quality agreement contract signed between **SCOTT BADER** and **FRAMNER** on 21/01/09.

The Guarantee excludes the following situations:

- ✓ Black spots resulting from black algae development
- ✓ For swimming pools with water heating system: Black spots resulting from Cupper oxichlorure deposit
- ✓ An incorrect water treatment
- ✓ pH water being not controlled and / or adjusted in the range: 6,7 – 6,9
- ✓ Temperature of water exceeding 30°C

The Guarantee does also not cover damages resulting from a bad process implementation or from non application of **SCOTT BADER** technical recommendations.

Amiens, 13/04/09

SCOTT BADER Company

A handwritten signature in black ink, appearing to be a stylized 'S' or similar character, positioned over the printed name of the company.
