

April 2nd, 2015

Dear Arkady Benikovich,

Hereby Ashland expresses its appreciation to company Istok Polyester and announces that at the present Istok Polyester is Europe's largest consumer of Ashland advanced materials used for manufacturing of moulds for fiberglass swimming pools production.

We are proud of our long-term cooperation and glad to make every effort to provide your production with high quality modern materials and technological service.

Yours sincerely,

Krzysztof Rutkiewicz,
Regional Sales Manager
